2018 Summer Conference Cohort Roundtables Starter Questions

1. What is the most amazing thing that happened at your campus this year that you believe is transforming learning?
2. Starting the year strong is critical, but ending the year strong is just as significant. What things did you do to start/end the year strong?
3. What one thing have you committed to challenge yourself to do differently next year and what plans do you have for that challenge?
4. Summer is a great time for us to continue our professional reading. What is the best book you have read recently about transforming learning, leadership, and/or telling your story? What made it great?
5. What is the hottest topic you are wrestling with right now that you would like to hear what others think about?
6. **PIs ONLY - Complete the “Stay Connected” online questionnaire. Link at <https://www.theprincipalsinstitute.org/summerconference.aspx?id=8> > Cohort Roundtables > Resources.**
